

# THE INFIELDER

## PRESIDENTS REPORT

Welcome back players and parents! On behalf of the Committee we hope you all had a fantastic Christmas and New Year.

In exciting news, Caspers have now gained sponsorship from Carroll & O’Dea Lawyers and The Ambarvale Hotel. Their banners will be up on the main diamond in the next week. We thank them very much for their support and look forward to working with them.

We are now at the pointy end of the season where teams are working towards finals. A reminder that Seniors finish on 14/15 February and Juniors finish on 22 February 2020.

Best of luck to all teams.

Don’t forget Seniors, Winter season is fast approaching and we look forward to another great season. Please see De Rosser for registration details.

## JUNIOR BLUE SOX DAY

On 11 January 2020, over 40 of our Junior Caspers players attended the Blue Sox Day.

All players took the field to sing the National Anthem, participated in games and stayed to watch the Sydney Blue Sox take on Auckland.

A great day was had by all and many thanks to all our Caspers Committee, Coaches and Parents for making it such a great day.

## BUNNINGS BBQ

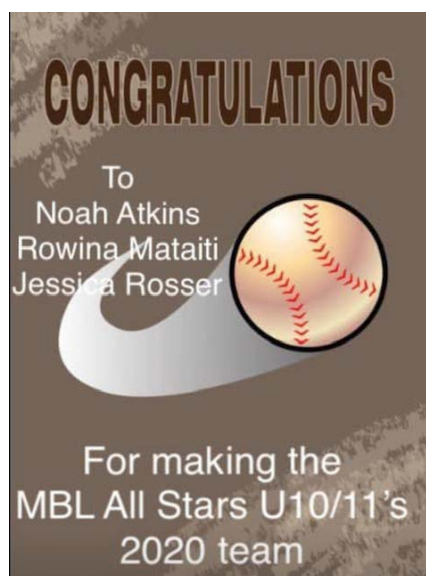

On Sunday, 2 February 2020, Caspers held their first fundraising Bunnings BBQ at Campbelltown. Despite the heat, we sold plenty of snags and this year we had a cake stall and raffle as well.

In all, we raised approximately \$1,000 to go towards installing a Defibrillator at our field and equipment for our Juniors.

Big thanks to the Rosser Family, Mathew Family, Hooke Family, Atkins family, Bailey family, Rye Family, Knighton Family, Rixon Family and Paul Hardie for giving up your time to help!

We hope to have another BBQ towards the middle of the year and will be putting out a call for help then!

## REPRESENTATIVE NEWS

Congratulations to our Junior Caspers who have made it to the MBL All Stars U10/11s 2020 team.

Also congratulations to Josh Atkins, Kynan Mathew and Phill Rosser on being selected as coaches for our Rookies, Majors and Junior League representative teams.

We are sure you will do us all proud.

## GETTING TO KNOW YOUR...

### Junior Team of the month

The Grasshoppers are in their second year playing together. They began in 2018 in Aussie T-Ball and moved into T-Ball for the 2019/20 season. They have all become a great group of friends and their favourite activity at training is sharks and sardines. The whole team have improved their T-ball skills immeasurably this season. Their batting and fielding are streets ahead of where they were last year. They are truly starting to understand the finer points of this great game. It is a pleasure to coach these

wonderful kids and watch them grow in great competitors but more so into

wonderful people.
